

*'Cleanliness is the emblem of purity of mind.'*

Cleanliness and hygiene are not matters of instincts, they are matters of education. Cleanliness is not just about keeping our homes tidy, but about nurturing a culture of hygiene and a responsibility that transcends our immediate surroundings. Swachhta is a way of life that has the power to transform individuals, communities and nation as a whole. It matters because it directly impacts our health, our environment, our economy and our collective dignity.

Resonating with the clarion call for a Swachh Bharat , we at Oxford take pride in instilling the value of cleanliness in our students through various activities. The spirited Oxfordians are celebrating Swachhta Pakhwara and contributing to its success. The students are sensitised and participating in activities like swachhta pledge , cleanliness drives, quizzes, essay writing, slogan writing and poster making competitions.

We, at Oxford Senior Secondary School firmly believe that a cleaner, healthier and more prosperous India is within our grasp and solemnly pledge for Swachh Bharat, Swasth Bharat, Sashakt Bharat.
